

Sorry the Parish Notices are a little late this month but we only returned from the Town Twinning Event in France early this morning!

I have realised that our AGM in November is not far off now, November 27th. I can confirm that all current members of the Committee are willing to stand for re-election. However we could do with a few more committee members. We have one ad-hoc meeting a year. Please also be thinking about places we could visit next year, that includes pubs too!

I have included information about the Folkmog track day in these notices rather than sending out a separate letter to you all.

The list below is a reminder of up-and-coming events over the next couple of months. Details of events during the rest of the year are in the Members' Handbook or on the Events page of the Anglemog website.

Thank you Peter for organising the Mersea Family Day outing.

**\*Monday 22nd September Folkmog Track-day at Snetterton**

Invite from Folkmog

It's now less than a month before our Folkmog Track-day at Snetterton on Monday 22nd September 2025.

We have attracted an entry of over 40 Morgan's for this event, and I would be pleased if you could both encourage members of Folkmog and Anglemog to come along and support our event. It's free to come along and spectate, there's plenty going on all day on Track, with the Morgan's sharing the day with two other track-day groups, but we will have exclusive time slots on track for our special Morgan Sports Cars. Our first session on Track is scheduled to start at 09.40hours and we shall be taking the last slot in each hour thereafter, throughout the day

Please just arrive in the pit area and park up near the Morgan paddock, there's a good cafe in the paddock which serves good breakfasts and hot meals at the lunch time break, or bring a picnic to enjoy.

It would be fabulous to have a good turnout from members, to what has become a special National Morgan event, we are the only Morgan Centre to run it's own track-day, so please add it to your member updates - thank you, and we look forward to welcoming as many members of MSCC on the day.

Best wishes

John & Michele Jarvis(Wolf Performance) joint Track-day organisers.
